

PGM-001

Glass Mount Solution for IAdea 10" All-In-One Display

IAdea 10" All-In-One Display can be professionally glass mounted to your office windows as your corporate digital signage by using our PGM-001 glass mount solution. It helps your workplace to communicate corporate event, meeting schedule, and directly increase brand recognition and corporate culture.

Industrial Heavy Duty

Our solution uses 3M VHB™ Industrial Heavy Duty Mounting Tape. It holds XDS-1078 permanently to the glass for months.

Flush Mount, Yet Easy To Use

No screws, rivets, or welding; the signboard just mounted seamlessly against the glass window.

Disclaimer

IAdea has tested the solution thoroughly in many different conditions and has found satisfactory. However, PGM-001 Glass Mount Solution for IAdea 10" All-In-One Display is only recommended to be used on standard glass surfaces which have not been treated with decorative materials such as frosting spray or window film. The functionality and performance of the 3M VHB™ tape and cover sheet can be affected by a variety of factors which are highly difficult to identify. It is the responsibility of the users to fully evaluate the product and determine whether the product is suitable for their intended purpose and method of application. The information delivered in this manual are based on tests and experiences presented by the 3M VHB™ supplier. IAdea cannot make any guarantees on the accuracy and completeness of the technical information provided by the 3M VHB™ supplier.
