Package content

| VESA adapter plate 1 pc | Gang box plate 1 pc | Screw M3 x 6L 4 pcs | Screw M4 x 8L 4 pcs |

Mounting installation
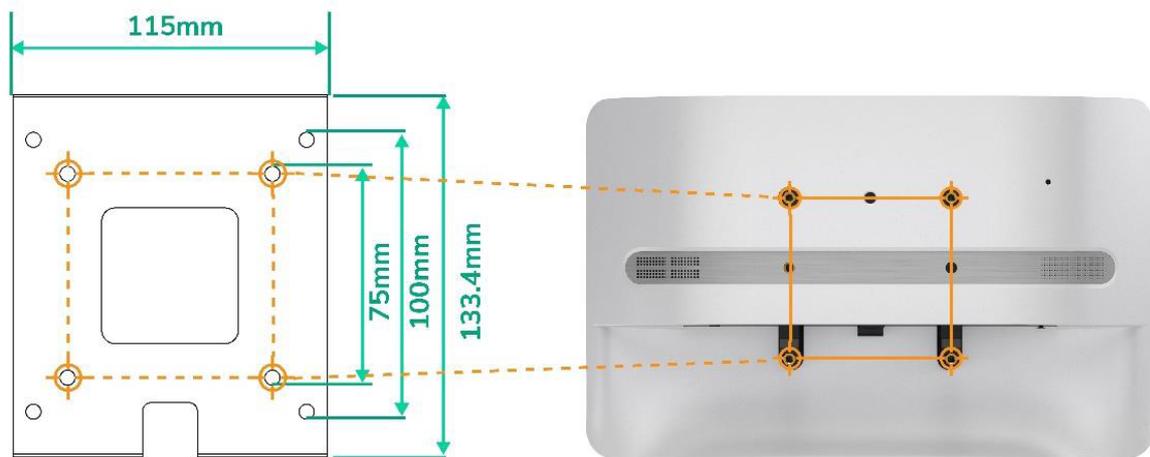

1. Mounting gang box plate

   Mount the gang box plate to the gang box holes. Please check it is US or EU/international types.

2. Mounting VESA adapter plate

Mount the VESA adapter plate to IAdea signboards. For 10" models, please mount to 75 x 75 holes. 15" models, please mount to 100 x 100 holes.

Device Vesa Mount Plate

3. Cabling and assembling the set

Pull out the cables (Ethernet cable, power cables) from the gang box and plug to IAdea signboards. Slide the VESA adapter plate to the gang box plate. Then put on 4 screws on top and bottom to fix the plates.
